CHRONIC CATARRH, OR BRONCHITIS.

Boston, June 7, 1855.

For several years I have suffered from Catarrh and Asthma, consequent upon Bronchitis. I tried various remedies without relief. The system appeared failing under repeated attacks. I made trial of the PERUVIAN SYRUP, and soon found marked improvement. It is now six months since I first attacked, and I can now boast of my experience that others, that the PERUVIAN SYRUP produced these valuable changes.

A Consumptive Life Saved.

Consumption, primarily and essentially due to a disordered nutrition, can be easily attacked by a medicine which renovates the nutritive powers.

Such a medicine is the PERUVIAN SYRUP, which

directly acts on the nutritive organs, and

restores them to their original condition.

Appetite and perspiration are entirely prevented if the syrup is given in sufficient quantity.

Thus ends a series of facts which prove per-

sonal experience.

Read by J. R. CHAMBERS, T. S. H. H. and by al-

most respectable dealers in medicine.

Pills in Both Forms Cured.

READ THIS.

"I scarcely account for my present sound health, from the constant, though moderate use of BERHAYE'S HOLLAND BITTERS—having from my youth suffered, at intervals from Pains, in both parts; sometimes so severely as to completely prostrate me. I have for several months past, though subject to loss of sleep, and unusual physical effort, been entirely free from any symptom of this distressing disease; while my general health is very much improved."

Persons doubting the authenticity of this certificate, are requested to call upon or communicate with the proprietors. They will take pleasure not only in referring them to its author, but to many others who have used the Holland Bitters for the same affection with equal success.

Billions Complaints, under Mode

of Life.

A well regulated and proportionate quantity of bile, upon the skin, is always required for the proper discharge of the functions of life, and keeps the intestinal canal free from all obstructions. When there is a deficiency of bile, the body is constantly active. One of the chief causes of derangement of the body is frequent movements in the stomach, and often promotes very severe attacks of disease, which sometimes end in death.
